300 GSM Journal- Our mixed media hardbound art journals feature handmade abaca paper made for artists. It is archival, meaning the paper is acid free, and will not turn yellow over time. With our papers' smooth finish and anti-blot feature, it is excellent for several types of media such as water colour, gouache, acrylic, graphite, pen & ink, coloured pencil, marker and charcoal.

All INDIGENOUS® stationery paper products are designed to be durable, tear resistant and even washable. Its pages are able to take wet media beautifully without bleed through.
